COSMETIC SPONGES

To blend with the beautiful curve of nature , the shale of your beautiful face.

WHY IS OUR SPONGE
DIFFERENT?

1. Crush-down free.
2. Tasteless.
3. Eco-friendly.
4. Lower density.
5. Good oil-control performance.
6. Non-irritatant.
7. Hydroscopicity.
8. Skin Adaptability.
9. Dry-Wet Dual Use.

OUR SPONGE LETS YOU FEEL GREAT!

- 01 Press the sponge lightly in the water
- 02 Puff turns to be heavy after water-absorption.
- 03 Water orverflows when squeezing.

04 Dry 05 After water-absorption

PHYSICAL PROPERTY COMPARISON

Our sponge remains the original color and taste & toxic free after burning. While others turn to be burnt black with irritant odour.

MATERIAL COMPARISON

Ours: exquisite, fine and smooth, eco-friendly, the same outside and inside
Others: rough, loose, strong rubber smell.

COSMETIC SPONGES

To blend with the beautiful curve of nature , the shale of your beautiful face.

FEATURES OF REUSABLE SPONGE:

1. Deposition in the cosmetics and skin.
2. Effect reducing.

CLEANING STEPS OF SPONGE.

1. Foaming the make-up remover, neutral soap or facial cleanser on the wet sponge.
2. Pinching and rubbing the sponge repeatedly, to remove the powder and stains inside.
3. Washing the cleanser.
4. Airing the puff in ventilated cool place, after squeezing and drying water.
